NOTES FROM THE BAND ASSOCIATION

Spring has sprung, even if our temperatures have not shown it yet. Marching band practices are in full swing, we are getting ready to provide concessions for our outdoor spring sports, and the spring concert season is here. Another big part of spring is the opportunity to support our outgoing seniors as they enter the next phase of their life. The band association offers senior band students the opportunity to apply for one of two \$500 college scholarships. Both scholarships are awarded to 4-year band members that are continuing to higher education. For application details, please see the Career Center.

Our April band association meeting will be held on Wednesday, April 20th at 7pm in the Band Room. We are still looking to fill some key roles, including Vice-President and Concession Supply Lead. These roles are integral to the continued success of the band program. I encourage you to attend and find out more or feel free to email me. Spring is a very busy time of year. To keep up with all the current band information please be sure to sign up for the band emails, if you haven't already. You can sign up on the band home page at www.champlinparkbands.org.

Be well,

Nick Martini Cpba.pres@gmail.com
