

CHAMPLIN PARK BANDS

June 2022

The parade season is fast approaching, and we are looking for parent chaperones. Chaperones are vital to making the parade season a success. They are responsible for overseeing the students on the bus, helping with uniforms, moving the band and their equipment to and from each parade, walking along the parade route with the band, and rehydrating the band with Gatorade after the parade. Can only make one? No problem. All training is provided! We typically need 8 parent chaperones for each parade. Please scan the QR below to check out the sign up. Becoming a parent chaperone is a great way to meet the students and connect with other parents. We hope to see you at one of the parades this summer! Contact Jody Mikkelson at cpba.chaperone@gmail.com with questions!

NOTES FROM THE BAND ASSOCIATION

The Champlin Park Band Association would like to take a minute to thank all the Seniors that have invested countless hours in the Champlin Park Band program throughout their time at the school. Without your devotion to this program, the music and performances, and your mentorship and friendship to younger students our program could not survive. Band builds character, independence, confidence, and integrity. These are all transferable skills that you can apply to the rest of your life. As you leave here, we hope you can reflect on your times in the band program and reminisce on the experience with excitement and positivity and know that you were a part of something great. It has been a pleasure to watch you grow and mature into adults that will go on to do great things. We feel blessed to have been a part of your journey.
